The Chief Secretary to Government,
BANGALORE.

Sir,

Subject.- Revised rules and Byelaws for the regulation of water supply in Bangalore City.

I have the honour to invite kind reference to this office letter No.6283 dated the 30th December 1933 on the above subject.

The draft rules and byelaws have not yet been returned by the Municipal Commissioner.

2. Unless the rules are given effect to immediately, the anticipated income would not be realised, and either the Municipality would have to make up for the loss from their general revenues or the Government will have to bear the shortage in revenue themselves.

3. I therefore request that you will be so good as to instruct the Municipal Commissioner to return the draft rules at once with the approval of the Municipal Council.

I have the honour to be

Subject:- Revised rules and byelaws for the regulation of water supply in Bargalore City.

Sir,

Adverting to Government Order No.L.3175-3145/Ml.260-32-17 dated 6th November 1933, I have the honor to bring to the notice of Government that the draft rules and byelaws for the regulation of water supply in Bangalore City, were forwarded to the Municipal Commissioner, Bangalore City, with this office No.3500 dated 13th October 1933 for suggestions if any, and he was also reminded in the matter more than once. But the draft has not yet been returned.

The chief points affecting the collection of revenue and dealt with in the revised rules are:-

(1) Reduction of free allowance from 4000 to 2500 gallons.

(2) Reduction of rate of free allowance from 160 gallons per rupee of rental value so as to be in consonance with the revised free allowance of 2500 gallons.

Unless the revised rules are given effect to, the anticipated revenue cannot be realised. They have not also assessed the Government buildings to enable me to fix the water charges due by different Departments as required in the above Government Order.

Already two quarters of the current year have elapsed which means half year's prospective increased revenue according to the revised rules cannot be realised.

I therefore request that the Municipal Commissioner may be advised to take

take very early action for disposal of the above questions.

I have the honor to be,
Sir,
Your most obedient servant,

M. N. Narayana Iyer

Chief Engineer of Mysore.
